EIGHTH ANNUAL WARRIOR COMMUNITY INTEGRATION SYMPOSIUM

AMERICA'S WARRIOR PARTNERSHIP
EMPOWERING COMMUNITIES TO EMPOWER VETERANS

#EMPOWEREDVETERAN

Our mission at America's Warrior Partnership (AWP) is to empower communities to empower veterans. We Connect, Educate, Advocate and Collaborate with veterans, their families and the communities that support them. Our ultimate goal is to improve the quality of life of all veterans by empowering local communities to proactively and holistically serve them, *before* a crisis occurs.

Our Eighth Annual Warrior Community Integration Symposium is an industry-leading event that empowers those who serve veterans by fostering collaboration and enhancing service to veterans and their families in communities across the country. Thousands of veteran-serving professionals gather to share best practices, hear from inspiring and influential speakers and learn about valuable resources and insights. Collaboration is a key focus of the Symposium, encouraging veteran-serving professionals nationwide to build new partnerships and work together to improve services for all veterans.
